INDOOR AND OUTDOOR CEREMONY SPACE

Koren Farms offers a breathtaking setting for your special day with both indoor and outdoor ceremony spaces. The outdoor area features a picturesque open field surrounded by lush greenery and rustic charm, perfect for a romantic, nature-inspired wedding. The indoor space combines elegance and comfort, with its beautifully designed interiors providing a cozy yet sophisticated atmosphere. Both options create the perfect backdrop for unforgettable moments.

A wedding reception in a rustic barn. A bride and groom are dancing in the center. The bride is wearing a white gown with a long veil, and the groom is in a light-colored suit. They are holding hands and looking at each other. The background features a large window covered with sheer white curtains and warm white string lights. To the right, there is a wooden wall and a table set for a meal with chairs. Two ornate chandeliers hang from the ceiling, which has exposed wooden beams and white fabric draped across it. A small cake sits on a wooden stand near the couple.
